

Note:

- FCAT / WCATs are Common across Mumbai Region. They are regional level tests (wherever possible)
- Each question paper must contain question of varied difficulty levels (although Maximizer will help you ensure that)
- For a paper conducted in Week 5 we are usually including the syllabus covered till Week 3 i.e W1 to W3 (W stands for Week). As an illustration
 - Author has to ensure that he/she includes 70% of the Topics/Concepts covered in Week 3 and remaining 30% topics of previous weeks.
 - Questions from topics of W3 can be from low RPI Grades* whereas questions from topics of previous Weeks can be from High RPI Grades*. (*Refer to Maximizer)
- All Centre Coordinators and Head of Departments must ensure that the Faculty Members follow the routines as detailed in WCRM (Weekly Concept Road Maps).
- Students should be told / announced that the FCAT / WCAT syllabus will be the syllabus covered till the last but one week on Cumulative Basis for each phase.
- DO must reach T - 3 day/date (e.g. if Test day is Sat then paper must reach before Sat - 3 i.e Wed) with Error Free Paper + Answer Key + Solutions + Concept Tag List, So that (a) Logistics can be smooth, and (b) Declare the Results on T+1 day.
- No Troubleshooting will happen. It is expected that the paper is Authored / Validated very appropriately. Our objective will be to release the result ASAP so that Faculty Member can do the Analysis appropriately.
- For the Test Conducted on Saturday/Sunday, the Result Despatch, through e-mails only, will be done by following Wednesday by 11:00 am. (this message can be sent across parents or can be clearly mentioned on Notice Boards)
- EDP must give the file name as [TEST ID]-Ph[PHASE][TYPE OF TEST]-[PATTERN]-[SCHEDULED TEST DATE in ddmmyy] i.e. A-B-C-D (D is in DDDMMYY format) e.g. FileName for Test ID 145143 is "145143-Ph1WCAT01-OJEMD120C01-030514" (without quotes)

Date 26-Jun-24, Wed

Month (2024-07) Jul '24

From RICHHA PALRIWAL

Head of Academic Operations, FIITJEE Mumbai
